Treasurer's Report – Becky Zielske:

Becky discussed the Treasury Report for March through May. Bank balance going into May was approximately \$15,750. We started the year with just the \$3,500 carryover from last year. We exceeded income goals mainly in two areas. First, we had a successful membership drive, collecting more than expected and far more than previous years. Additionally, Rebecca really drove the Husky Hut sales this year. We have had the extra funds to spend on teacher appreciation gifts, signs for the seniors, and a t-shirt for all HHAB scholars.

Teacher Needs:

- Banner, \$200 – to hang in the commons celebrating our #1 status in Arkansas
 - Window coverings, \$300 – in case of an intruder
 - Math software, \$350
 - Tables, \$1,000
 - Bulletin boards, \$2,555
- TOTAL TEACHER NEEDS = \$4,405

Discussion:

Mr. Randy Cox relayed the progress the teachers and he, personally have noticed over the past two years thanks to the PFC. He shared one example of his AP class having only 14 textbooks to share for 28 students just two years ago. Now, teachers are getting what they need to teach. He is very thankful. Angela thanked Mr. Cox for letting the PFC know what the needs are, so we can find ways to fulfill them.

Mrs. Carol Brophy added that she feels the same way and thanks the PFC.

End of the School Year:

Senior Send-off – Seniors will be decorating their cars and driving through the parking lot for a final farewell from HHAB

Shirt distribution – Rebekah is working on this. Details will follow on when shirts will be available for pick up

Book and computer drop-off – Look for announcements via email and/or the announcements about when and how to drop off scholar textbooks and checked out computers

Scholar's Trunk – There will also be an announcement coming soon about scholar trunk donations, and the PFC will send notice when the fall Scholar Trunk sale will take place.
